Bleatings
By the
OLD GOAT

NOW THAT WE look back it was fun. But while we were working on it we felt that we had tackled a rough chore. We are referring to last week's issue with the thumb nail pictures of each high school student placed in his or her column. What made it difficult was the fact that we knew very few of them. It was a pleasure to work with "the gang".

SOME OF THESE STUDENTS were really fired up about the project. We hope that maybe one of them will have learned something about the newspaper operation. If we get enough response, we may do it again... after we recoop from this one. Thanks also to "The Boss" Miss Cassie Taul, the instructor and to Robert Culp the principal. And...if someone can make arrangements to get all of the students who participated in the project, we will spring for sundaes for each of 'em. Or are we putting Miss Taul on the spot? We certainly hope not. Thanks again gang.

DURING ONE OF RECENT meetings with fellow colleagues, we had a discussion on the side, with several fellows who brought up what we think would be an idea with merit. He questioned, if the county makes a public record of the people who are delinquent on their property taxes, why isn't it also a good idea to publish the names who are on welfare during the year? We are not opposed to paying taxes to support people who are really in need, but it gripes the devil out of us to learn these chiselers are cheating to the tune of thousands of dollars of our (yours and mine) tax dollars. It seems as though this department of our government is getting to be more and more popular with too many of our people.

WE GOOFED ... we know how it happened, but we must accept the responsibility. The story on the local post office receiving an award (Press issue March 18) stated that Campbell was one of 79 P O receiving such an award out of the 34,000? ?in California. Our goof...it should have read 34,000 in the United States. We could alibi, by saying that as far as we are concerned California is the only state in the country. We must not be alone in our thinking, the way residents of all the other states are moving out West.

WE CAN HARDLY WAIT until the elections are over and the new men seated. Disregarding which of the 11 candidates are elected, there will be a lot of work to be accomplished. There are so many projects that have been hanging fire. It will be interesting

LANDMARK GOES--An old Campbell landmark, the 100,000 gallon water tower on Harrison Avenue, constructed by Hunt's Cannery was pulled down Monday morning. It took the special equipment of Bigge Company of Oakland to do the job safely. The property is to be developed for an Industrial Park.

Harrison Avenue property to be developed

A remnant of Campbell's past came down Monday morning. The old water tower on Harrison Avenue constructed by Hunt's Cannery for reserve water storage was pulled down to make way for an industrial development. Developer Mitchell Raskin, 2932 David Avenue, in association with Howard Hubbard of San Jose, announced that the City Council has approved a new street pattern east of Harrison and south of Hamilton Avenue, and that he plans to open a cul-de-sac street in the Harrison Avenue area. The developers have purchased 8 acres which they will develop into an Industrial Park unless a major commercial shopping center would be interested in locating there.

Jean Drive tenants get action: clean-up starts

Tenants of the apartments located on Jean Drive who appealed to the City Council for help in enforcing proper maintenance of the property have been notified they have protection. City Manager Robert C. Stephens informed the Campbell Press he had received a letter from James Danaher, Palo Alto attorney retained by the tenants. Danaher stated that the California Civil Code, Section 1942, provides recourse for "proper repair of rented facilities." Danaher indicated the tenants may retain their rent payments to repair the facilities if the management refuses to do so.

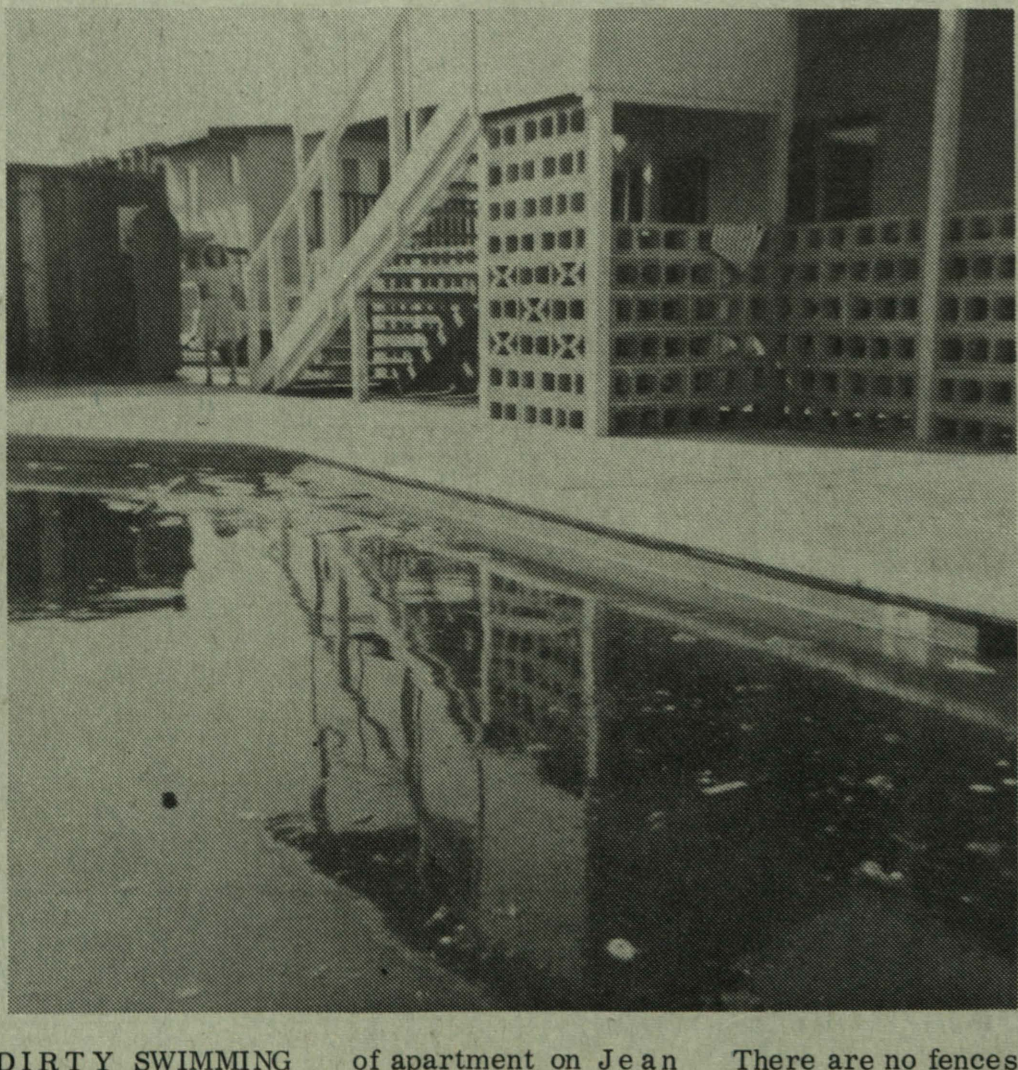
The apartments are managed by the Santa Clara Management Association, P. O. Box 3234, San Jose. W. Perry Clark is the general manager of the Association.

The Campbell Fire Department and the Santa Clara County Health Department in a joint inspection of the property recently, indicated there were "numerous violations", included stagnated swimming pools, no vents on dryers in wash rooms which have become a fire hazard: fire extinguishers thrown in the swimming pools: and repairs needed to the firewalls in the carports abutting the apartments.

The residents pointed out broken fences, high grass, broken windows, open garbage cans, contaminated sand in filled swimming pools, and peeling paint. The swimming pools are unprotected by fences. In February of last year a two year old boy, a resident of the apartments, drowned in one of these pools. The Campbell Attorney City, Joseph A. Bonacina, also indicated he was alert to the situation on Jean Drive.

Apparently the wheels are already turning. Last Thursday workmen appeared at the apartments with lawnmowers and garden tools. They went about cleaning up the sand in the pool at 841 Jean Drive. Weeds are being pulled and lawns are being mowed. The tenants are optimistic that something at last is being done to clean up the area.

CLEAN-UP NEEDED These are the apartment courtyards on Jean Drive in need of clean-up and proper maintenance, according to the tenants. Peeling paint, uncut lawns, and loose balconies were noted.



DIRTY SWIMMING POOL—This swimming pool in the courtyard of apartment on Jean Drive is stagnant and filled with debris. There are no fences to protect children from accidents.

C of C service to voters

Candidates invited to speak at open forum

Paul Landwehr, secretary-manager of the Campbell Chamber of Commerce, has announced that invitations have been issued to the eleven candidates for the three city council seats to attend an open forum tomorrow night, Thursday, April 2. The forum will be held at 7:30 p.m. in the Campbell City Council Chambers, 75 No. Central Avenue. The public is invited to attend.

Landwehr points out that the sponsoring of this forum should not be misconstued. "The Chamber does not endorse candidates or engage in politics, this is a community service due the voters of Campbell."

"The next two years could very well be the most critical in the history of Campbell when many important issues will have to be faced by the city council. Proper planning, policy, zoning, annexations, and the future of downtown Campbell are only a few of these issues. With this in mind, we alert the voters of Campbell to turn out in force on April 14 and elect the three strongest men. We want these voters to meet the candidates in person before they make up their minds in casting their votes," Landwehr said.

The forum will be moderated by John T. (Jack) Dawson, local attorney and president of the Chamber of Commerce. Citizens will be encouraged to write any question they wish to ask the various candidates. (signatures not necessary) and merely hand it to any of the ushers present who will give it to the moderator to be directed to the candidate affected by the question. The Chamber of Commerce encourages every voter in Campbell to attend this forum and to ask questions.

No reaction to student request for name change

Campbell Union School District trustees were ready to deal with a hot potato at their board meeting Thursday afternoon, (March 26), but it had cooled. In fact, they decided to defer action until the issue of changing the name of Cherry Lane School to Campbell School is reheated, preferably by parents and alumni of the two schools.

Principal Dorothy Sutter has reported absolutely no reaction from parents either at Cherry Lane or Campbell to the request by Campbell student body leaders at a recent board meeting that the proud name of Campbell be perpetuated. They want the name to move with the student body to Cherry Lane next fall.

The trustees emphasized they want to carry out the will of the people, but to do this they have to know what that will is. The only indication they have had so far was the visit by Campbell School student body officers, who said they represented the unanimous wish of the entire student body that their school name be kept alive at Cherry Lane.

Trustees expressed concern because they have not heard from the Cherry Lane student body or Home and School Club. They felt they would like to have an opportunity to learn the views of all concerned, then try to make a fair decision with consideration for the feelings of students and parents alike.

KIDS HELP--Young tenants in the apartments on Jean Drive help workmen clean up the sand-filled swimming pool in their courtyard.

Fairchild turns down "write-in;" thanks committee

Myron L. Fairchild, former Mayor and City Councilman, informed the Campbell Press today that he cannot accept election to the City Council on a "write-in" campaign. He thanked the members of the committee who have urged his name be put on the ballot. Fairchild's statement is printed here:

"In reply to the announcement in the Press of Wednesday, March 25th that a Committee of Campbell residents and business men had been formed to promote a write-in campaign for my election as a member of the City Council, I regret that it is necessary for me to report that I

County study overdue

During the last city council meeting a member of the Santa Clara County Planning Commission presented a study on county-wide planning. The study encompassed the entire county including incorporated areas. To us this study is long overdue. But we were gratified to learn that the County people have seen fit to undertake such a project.

It was our understanding that the zone changes in the County and Campbell may not have been done with the best interests of the future in mind. We have always maintained that planning takes more common sense than the use of the slide rule. We have also suggested that we in Campbell had better stop and take a good long look at our "obsolete master plan" before we take another step. We have maintained that through the proper enforcement of the zoning regulations and the proper use of zoning, Campbell can foresee a bright future. We mean this for commercial and residential and industrial. One point brought out by Leon Pollard of the County Commission was that up to now, when we don't know what to do with property we zone it industrial.

During the same meeting a very timely complaint was registered by a group representing the tennants living in an apartment house row on Jean Drive. Because of the rundown condition of some of the units the complainants called the section a disgrace to Campbell. One thing must be remembered in connection with allowing these units to be constructed. The "S" approval was named and received, and yet be allowed a barrack type row of apartments to be built.

With the forthcoming election, it is our sincere hope that Campbell will enter a new era. We hope the citizens will become interested, before it happens in their own neighborhoods. Campbell is not so large. We submit that what happens down the block today may happen next door tomorrow. The time to begin the action will be on Tuesday, April 14, at the ballot box.

As always we will submit a slate of candidates for the Council seats. The three men we will support are, in our opinion, the men that will give the citizens the best representation. However, you the voter will have the duty of choosing your men to represent you... and to spend your tax dollars. To disagree with our slate is your perogotive, but not to vote will only cause Campbell to continue to remain in a slow walk. It may be later than you think.

Horse gives Policemen a merry chase

Campbell Police Officers Furtaw, Clark and Newland attempted to secure a wandering horse last Thursday morning in the Rincon and Dot Avenue area with some hilarious results. An early 5:00 a.m. call to the Police Department brought out the officers who attempted to secure the mare with negative results. The animal cut through the high school grounds and was finally cornered at Campbell Grammar School. A passing citizen offered the officers a rope and they walked the mare to the police station where they tied her to a tree at the rear of the station.

The horse bit through the rope and was free once more. The frustrated officers chased her through the orchard at Latimer and Hamilton Avenue and finally caught her. This time they used a chain to tie her to an apricot tree. Eventually she was claimed by her owner. The mare, who is ten years old, answers to the name of "Natasha."

to see if the new council can get the ball rolling in order to complete these projects.

FOR THOSE WHO missed the "follies" during the Campbell Chamber of Commerce luncheon last Thursday; we should like to report, (speaking for ourselves), we set the "entertainment" industry back about umteen years. We must admit that we enjoyed it, and by the applause we were led to believe that the audience got a boot out of it. As Jack Payne (Wells Fargo Vice President and local manager and one of the "show biz boys") said, "shucks, next time we should charge admission." All we can say to that is it would have to be to raise funds for a needy cause. In our opinion there ain't any cause that needy.

Last week a "Power Entente" rode roughshod over a combination of minorities and majorities. It produced something new in legislative shenanigans and has practically assured the passage of a package of three bad bills, none of which had a chance in its own right.

Last year the House rejected a wheat subsidy bill primarily because the wheat farmers: didn't want it. Later the House passed a controversial cotton bill which would subsidize not only the farmer but textile mill operators if they agreed not to purchase foreign cotton in order to compete.

Senate rules do not require that an amendment be germane or pertinent to a pending bill which accounts for such legislative monstrosities as the one which combined a Post Office appointment with major amendments to the Sugar Act. Administration pressure for a wheat bill, plus this lenient Senate rule resulted in a Senate amendment for wheat subsidies being tacked on the House-passed cotton bill. Apparently the Administration reasoned that the combination could pass while neither bill stood a chance on its own. So the Senate sent the bill back to the House with wheat included.

In the meantime the Administration's food stamp plan, also controversial, was having real troubles in the House. It is strongly favored by northern, big city liberals who would like to have something new and dramatic in place of the traditional channels through which food is now distributed to the poor. It is opposed by those who foresee the plan's fantastic eventual cost and believe that existing channels for relief can be expanded if necessary. Until the "shotgun marriage" of cotton and wheat in the Senate, the food stamp bill faced certain defeat.

Food Stamp promotors who had sworn to oppose new farm subsidies saw the chance for a "Power Entente" which would combine their power with provincialism of the wheat belt and self-interest of cotton growing areas. Thus, with the stage set for the triple play of the century the liberals studied their hand and cold-bloodedly played it.

They announced that they would support the combined cotton and wheat bills provided the food stamp bill was considered first and passed. Unabashedly they announced that they had eight of the fifteen votes in the Rules Committee and the wheat and cotton bill could only be considered on their terms.

With the obvious acquiescence of the White House, the "Power Entente" approved a rule which limited debate on the cotton-wheat bill to one hour and prevented any amendments.

So, next week the House will first consider a food stamp bill which could not have passed except for vote trading of the rankest variety. And then as the next order of business the northern liberals will pay the southerners back by supporting a wheat bill which they opposed last year and which has never been considered by the House Agriculture Committee.

Three bad bills will become law as part of a massive three-way swap of principles!

Q.-Where can I get information to estimate my social security benefit?

A.-You may telephone or visit your Social Security Office, or write for a free booklet which tells you how to estimate your benefit. Ask for Pamphlet 855.

Q.-I will retire later this year when I am 65. When should I file my application and what records will I need?

A.-Get in touch with your Social Security Office about three months before you retire. Someone there will tell you what papers you will need and the best time to file your application.

Q.-Please advise me as to whether or not I should be reporting to Social Security the wages of my four part-time employees, each of whom earns $1200 a year and is receiving social security retirement benefits.

A.-Yes, you should report these wages and pay social security taxes.

Q.-What can I do if I learn that some wages have not been credited to my social security account?

A.-Get in touch with your local Social Security District Office. They will assist you in having the mistake corrected. It will help if you bring some evidence of the unreported wages with you, such as a W-2 form.

HUNGRY THIEF

A hungry thief broke into the back of a Golden State Caterer truck at 1420 Latimer Avenue last Wednesday night and took off with $49.10 worth of candies, soda pop and cigars, according to a report from the Campbell Police Department. Sam Fox, owner of the truck, said a hasp on the door of the truck was broken.

County residents averaged $9,438 income in 1962

California reported $36.1 billion of adjusted gross income on 1962 state income tax returns filed in 1963 according to a preliminary tabulation. State Controller Alan Cranston, chairman of the Franchise Tax Board, pointed out that this is an increase of $2.4 billion - or 7 percent - over the $33.7 billion reported for the preceding year.

Marin County was ranked first with an average of $10.770 and Tehama County was ranked last with an average of $7.748. Santa Clara County had an average of $9.438 and ranked 5th.

Home decorator to speak to Dental Auxiliary

The April Luncheon for the Women's Auxiliary to the Santa Clara County Dental Society will be held at Mariani's restaurant on April 9th. Social hour will be at noon, and luncheon served at 12:30.

The program speaker will be Mrs. Kirsten Krajeska, an interior decorator for Breuner's Wayside Store, Campbell. Mrs. Krajeska has done interiors for everything from college halls and churches to model homes. She will discuss decorating trends and bring demonstration materials to elaborate on her theme, "Your home as a status symbol".

Also at this luncheon, the past presidents of the Dental Auxiliary will be honored. One such past president from the Campbell area is Mrs. John Johns, Cronwell Dr., Campbell.

For reservations call Mrs. Wade Calvert, Bent Dr., Campbell.

Negro self-help program

On Thursday, April 2, at 8:00 PM Donald Warden, National Chairman of the Afro-American Association, will discuss a Negro self-help program at Campbell Grammar School, the temporary site of West Valley College. The program of the Afro-American Association has much to offer in areas not considered by such groups as NAACP and CORE. A $1.00 donation is being asked for the Afro-American Association. The public is invited.

will be unable to serve.

For this very complimentary expression of their confidence in me I am deeply grateful, especially so as I know that each of them and all of them are imbued with a profound interest in and concern for the welfare and progress of our City.

Believing as I do that the next four years will be crucial years for the City, I would feel privileged to serve on the Council and to make the greater contribution to its future progress that such service would make possible.

As Hannah Moore so rightly said some one hundred years ago "The World needs not so much to be informed as to be reminded". So I take this opportunity to remind the good people of Campbell that, in the final analysis, the responsibility for the City's future rests with them. The Council must and will, overall, reflect the wishes and demands of the electorate and, if the electorate does not care what happens, they can be quite certain what does happen will be in adverse ratio to such an attitude.

I hold the firm conviction that Campbell's future can be inspiring if we, the people of Campbell, are equal to the challenge of this fast moving age. My personal interest in Campbell's progress will in no way be diminished by the fact that I am not a member of the Council.

To the members of the Fairchild write-in Committee and to the many others who have honored me by their interest in my again offering my services as a councilman, I express my very keen appreciation and thanks."

Sincerely yours,

Audition Winner in concert April 12

Compositions by five of the great masters--Bach, Brahms, Beethoven, Schubert and Chopin--will comprise the program to be played by 18-year old Paul Albert Mihaly in a free piano recital at Villa Montalvo Carriage House Theatre here on Sunday, April 12 at 3 p.m.

The son of Mr. and Mrs. Albert Mihaly of Santa Rosa, Paul was selected for this performance after he participated in the annual auditions conducted by the Montalvo Music Committee earlier this year. He started playing piano by ear at the age of five and six months later formal training was begun with Irene Fryer, with whom he studied for 10 years.

Last month, young Mihaly was awarded a full tuition scholarship at the Conservatory of Music in San Francisco by the Ford Foundation, just two years after he began studying there with Adolph Baller. Previously he studied with Gyorgy Sandor at the Music Academy of the West in Santa Barbara.

He has won two top awards in recitals in his home town, including the Santa Rosa Press Democrat-Etude Music Scholarship and the Lillian Hodghead Award. He also has been soloist with the Sonoma County Junior and Symphony orchestras, performed on San Francisco radio musical programs and elsewhere. During his school years, Paul played at the State Music Festival and won several command performances.

Neat burglar steals two-way radi

A burglar who operated in a very neat manner, putting all objects not needed back in place, stole a two-way mobile radio and control box from a tractor belonging to W.S.P. Trucking Company, 175 Casey Road, last Wednesday night.

Garland Spears, an executive of the Company, reported that the tractor was parked in the Company's parking lot. The thief entered through the unlocked cab door and carefully removed the radio valued at $442.

for construction of a Comfort Station, Campbell Park, Campbell and Gilman Avenues, Campbell, California. The work will consist of concrete floor and sidewalks, unpainted concrete block walls, shake roof, Redwood screens and metal toilet partitions, and other work as shown drawings.

Proposals will be received at the Chamber of the City Council, 75 N. Central Avenue, Campbell, California, at which time and place said bids will be opened and read in public for furnishing all materials, labor and equipment for the construction and completion of said project.

Work shall be done in strict accordance with plans and specifications prepared by and obtainable at the office of DONALD C. EDSON, Architect, 228 Bachman Avenue, Los Gatos, California.

A deposit of $15.00 per set will be required of all contractors receiving plans, said deposit to be returned by the Architect when plans and specifications are returned in good condition with the proposal.

All bids are to be made out on forms furnished by the Architect. No bidder may withdraw his bid for a period of thirty (30) days after the time set for the opening thereof.

The City of Campbell reserves the right to reject any or all bids, and any or all alternates of such bids, and to waive any informality in any bid received.

Cashier's or certified check or bidder's bond in the amount of ten (10%) percent of the bid shall accompany the proposal, drawn to the order of the City of Campbell as a guarantee that the bidder will, after being notified of the acceptance of his bid, enter into a contract with the City of Campbell in accordance therewith.

The successful bidder will be required to furnish a bond for faithful performance in the amount of 100% of the contract price, a bond for materials and labor in the amount of 100% of the contract price.

The work to be performed under this contract shall commence upon execution of the Contract and shall be substantially completed within sixty (60) working days.

Time shall be of the essence in this agreement. The substantial completeness of the work to be performed and a "working day" shall be within the determination of the supervising architect alone, and the parties signatory hereto agree that his determination shall be final.

Should said work not be completed within the time hereinabove stated there will be deducted from the final payment the sum of Twenty-five ($25.00) dollars per day as liquidated damages, but not as a penalty, for each day's delay after the expiration of such period until the final physical completion of the work, and its delivery to said owner.

Workmen employed on said work must be paid in accordance with the prevailing scale of wages adopted by the City Council of the City of Campbell, on file in the office of the City Clerk.

Ordinary overtime, one and one-half times the above rate: legal holidays, Saturdays and Sundays where crafts work a five-day week and/or where schedule of crafts do provide overtime shall be paid at the rate of double time except for watchmen, guards, and flagmen. Double payment for holidays and overtime shall be in accordance with rates fixed by schedule adopted by the Board of Supervisors of Santa Clara County to which reference is hereby made for any rate of payment not herein specified.

It shall be mandatory upon the contractor to whom the contract is awarded and upon any subcontractor under him to pay not less than said specified rates to all laborers, workmen, and mechanics employed by them in the execution of the contract.

The Council of the City of Campbell, California.

New Enco station opens at Bascom and Dry Creek Rd.

A new Enco Service Station opens this weekend at 2355 South Bascom Avenue at the corner of Dry Creek Road this week-end. The manager, John A. Cop, announces free Pepsi Cola will be given away as well as casserole sets for the ladies.

Cop will be assisted in the operation of the new station by his father, Edward F. Cop, and his brother, Edward M. Cop. Don Findlay will be on hand at night. The trio have all had experience in garage work and the station will carry a full line of Enco products, including Atlas batteries. Cop, a World War II veteran, resides in Sunnyvale with his wife and six children. He and his father formerly operated a station in San Francisco.

Three rookies look good to Rocky Bridges

Three rookies have caught manager Rocky Bridges' eye during the first week of drills by the San Jose Bees in Anaheim in preparation for the 1964 California League baseball season.

Bridges, a veteran of 11 years as a major league performer who is making his managerial debut with the Bees, has been impressed with Bill Harrelson, Roscoe Proctor and Jorge Rubino.

Harrelson, who towers 6-4 and weighs 190, is a righthanded pitcher from Oklahoma.

Proctor, another giant at 6-5 and 220, hails from Los Angeles and has been alternating between the outfield and first base during early drills.

Rubino is a 6-1, 180-pound pitcher from Mexico City.

San Jose State starts spring practice Monday

San Jose State College begins spring football practice Monday, April 6, with workouts every Monday, Tuesday, Wednesday, Thursday and Saturday. The first Alumni game will be held Saturday, May 2.

Bob Titchenal is the head coach, assisted by Harry Anderson, Bob Jones, Butch Kirkorian and Gene Menges. The biggest problems facing Coach Titchenal and his staff for this spring practice are the plugging of some big holes at the guard and halfback spots where graduation has hit particularly hard. Of all the positions on the team, the one that will be the most difficult for a newcomer to move into will be the fullback spot. Lettermen Herb Engel, Charley Harraway and Jerry Bonetto are all back from last fall.

Two Campbell youths are on the team roster this spring. They are Bill Holland, 230 pound Senior, who played Touchback on the varsity last season, and Ed Schaefer, nineteen year old Sophomore who plays center position.

The 1963 season record was won-5, lost-5, tied-0. The first game of the season will be held September 19 against the University of Idaho to be played at Spartan Stadium, San Jose.

The Bees have started with a nucleus of 11 experienced players on their tentative roster. They are outfielders Walt O'Neil, Neil Martin and Denny Myers, infielders Les Kuhnz, Al Hinckle and Jim Tokas, and pitchers George (Bucky) Hoover, Pete Kenney, Darryl Milne and Rick Pullum.

The Bees will launch their 1964 campaign against the Bakersfield Bears in Municipal Stadium on Tuesday night, April 21.

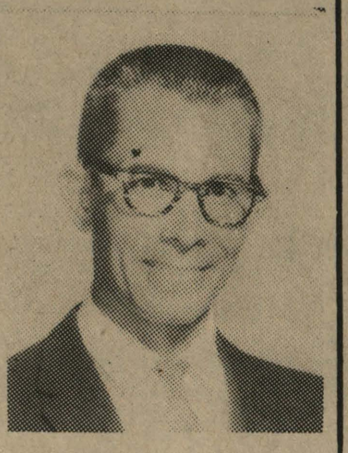
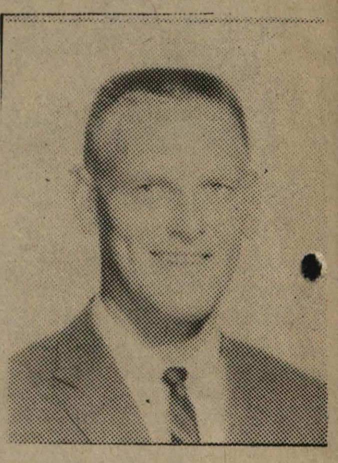
Campbell's Coaches



WAYNE CLAY



GORDON HUNTZE

"I get a tremendous amount of satisfaction from seeing the progress of my players." This is just one of the many rewards of the 'B' Football coach and the Frosh-Soph Baseball coach of Campbell High, Wayne Clay.

Coach Clay attended college at San Francisco State where he obtained a Bachelors and Masters degrees. He has coached at Campbell for two years with a year previous to this at Camden High where he also taught math.

Comparing Camden with Campbell, Coach Clay feels, "Campbell has better students as far as their attitude and desire for sports are concerned. Campbell has the best teaching and learning situation ...and is backed up with community support."

When asked about this coming Frosh-Soph season, he replied, "We will definitely have a winning season, and ... if the pitching continues as well as it has, we should be a contender (for the championship).

Coach Clay's basic principle is "taking advantage of the other team's mistakes and helping them make some." This has proved very successful

Behind every su[illegible]cessful team there has to be a great assistant coach. Gordon Huntze has the honor of making both the 'B' football and the Varsity Baseball teams very successful. Coach Huntze is also distinguished by being the head coach of t[illegible] Freshman baseball team.

Attending San Jose State and earning a Bachelors degree, Coach Huntze is now working for a Masters degree in Health Education. He also holds a Drivers Education cr[illegible]dential as well as the Secondary teaching credential.

Besides teaching P.E. and coaching, Coach Huntze also teaches a Sophomore Science class where he uses his health and Driver's Education background. He someday hopes [illegible] specialize in more advanced Biological science, whenever "his coaching days are over."

Coach Huntze does much to groom Freshman to play Varsity Baseball by organizing the Freshman team fo[illegible] Campbell. Coach Huntze feels "Freshman Baseball teams are very important for they give people experience.

Registration opens f YMCA summer camp

Boys between 9 and 13 years of age from the Campbell area may begin registration today (Wednesday, April 1) for the 1964 summer camping session at Camp Campbell, the Metropolitan YMCA's Santa Cruz mountains facility.

Two eight-day sessions have been set aside for boys from the "Y's" Southwest Branch which includes Campbell. Youngsters were urged by Branch Director Arthur J. Northrop to register at the Central YMCA, 1717 The Alameda, San Jose.'

Southwest Branch boys will be in Camp Campbell June 27-July 4 and July 25-Aug. 1 under the supervision of Northrop and Wilmer Fong, branch program secretary. A maximum of 152 boys will be accepted for each session, Northrop said. Fees are $37.50 for each eight-day session.

Until April 15, a residence restriction will be placed on all registrations. This means a boy living in Southwest Branch may sign up for only one of the sessions set aside for the branch, Northrop explained. Afte[illegible] April 15, openings remaining in all sessions will be thrown open on a first-come-first-served basis, he said.

Additional sessions open to Campbell residents include an eight-day period for girls 9 through 13 years of ag[illegible] Aug. 15-22, and two one-week periods for "Y" family campers, Aug. 22-29 and Aug. 30-Sept. 9.

Camp Campbell offers a group-cabin camping experience for 9 to 13 year old boys; the program includes swimming, hi[illegible]ing, crafts, archery, horseback riding, boating, fishing and daily campfire and chapel services.

Luncheon honors Mrs. Frank Lucas

Mrs. Frank Lucas was the guest of honor at a bon voyage luncheon last week hosted by her two daughters, Mrs. Merrill Grim and Mrs. Henry Cardona. The festive party was held at the Cameo Court home of Mrs. Grim. Mr. and Mrs. Lucas are planning a trip to the Hawaiian Islands on April 18. They plan to sail on the President Wilson and return to Campbell sometime during the summer. While in the Islands, they will visit many relatives and friends.

Among those present to toast Mrs. Lucas a bon voyage were Mesdames Louis Bogner, Manuel Fields, Ira Grim, Francis Hollum, John Kay, Felice Robba, Alfred Scionti, John Serpa, Fred Smith, J.O. Souto, Manuel Teixeira, Mary Trigueiro and Henry Weitzel of Campbell. Also present were Mrs. Manuel Braze and Mrs. William Marshall of San Jose, sisters of Mrs. Lucas.

Mrs. Jack Lucier new president of El Paradiso

El Paradiso Council of the California Congress of parents and teachers recently announced the names of its new officers. The nominating committee selected the following to serve the Council for the 1964-65 school year.

1st. Vice. Mrs. Jim Fisher, 2nd Vice. Mrs. Earl Greer, Rec. Secty. Mr. Vern Rutlen, Finc. Secty. Mrs. Eugene F. Tritt, Treasurer, Mrs. J.E. Walsh, Auditor, Mr. Ben Sutfin, Historian, Mrs. O.D. Russell, Parliamentarian, Mrs. Robert Rose.

Installation of the new officers will be scheduled in May.

Spring Swing is Saturday night

"Spring Swing" is the title for the dance sponsored by the Knights of Columbus, Bishop O'Dowd Council, Saturday night, April 4. The festive evening will be held in St. Mary's Hall, Bean and Lyndon Avenue, Los Gatos. Live music will be provided by Dave Gupton and his orchestra. Refreshments will be served and all friends of the Council are invited to attend. Dancing will be held from 9 till 1. Tickets may be obtained from Jim Kilkenny, 354-3164 or at the door.

West Valley Symphony presents first concert

The West Valley Community Symphony Orchestra, an infant ensemble of nearly fifty amateur instrumentalists, will present its debut concert under the direction of Ray Allvin in the Campbell High School auditorium, April 3 at 8:30 p.m.

The evening's program will include Mozart's Overture to La Clemenze di Tito, Sammartini's Symphony in D Major, Richard Strauss' Waltz from Der Rosenkavalier, Handel's Overture to the Royal Fireworks Suite, Bizet's Carmen Suite, Bach's "Jesu, Joy of Man's Desiring", and Gliere's "Russian Sailor's Dance".

"The orchestra is organized on a regional basis", commented Allvin, "similar to many of the community orchestras that are being formed across the nation. Amateur, professional and semi-professional musicians participate in this type of setup."

"Size is still our biggest problem", and according to E.P. Stanley, Director of Adult Education, Campbell Union High School District, "we need more strings, brasses and bassoons to achieve a complete sound, but we are still growing."

Rehearsals are held every Monday evening at 7:30 p.m. in the instrument room at Blackford High School, 48000 Blackford Avenue. Interested musicians may call the director at 252-0987 for further information.

"There is no question that there is a great latent interest in music in this city," said Mr. Allvin. "Some of these musicians haven't touched their instruments for twenty years, but the enthusiasm and ability that they display is amazing at times. So many students graduate from high school or college with average or above average ability in music, but never are able to keep up with their music."

The West Valley Community Symphony gives people who have a busy schedule during the week a chance to participate weekly. Musicians come to rehearsals and have fun; they enjoy music. "And after all," comments Allvin, "what else is music for?"

Political Parade

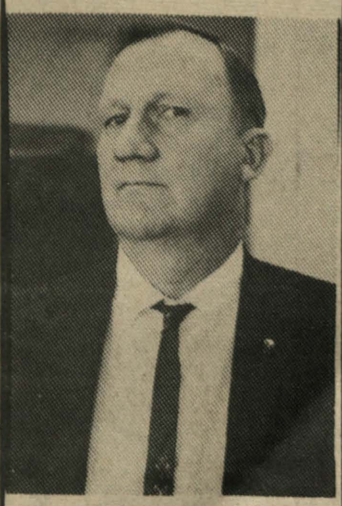
Joe Anello,
Campbell Press

I received your letter with the questions regarding my candidancy for councilman in the City of Campbell. Here are the answers:

#5. Why do you want the job?
To start with it is not a job it is an obligation. I am volunteering my time to do a task that needs to be done.

#6. What do you think of the present administration?
If the people of Campbell expect to get volunteers to do public services you do not express opinions of their worth. You thank them for their services and hope that they will volunteer to help again.

#7. In your opinion what are Campbells problems and how do you propose to solve them?
The main problem in



WILLIAM P. MERTSCHING

Campbell is political apathy. So few residents realize how valuable their liberties and freedoms are. Too many feel that they are guests of the city and are not required to participate in its activities. I would like to create a program of informing the people as to what is going on and chide them for their political lethargies.

#4. What do you suggest for Campbell Avenue?
Campbell Avenue goes east and west. I believe we should reverse our thinking. Let us turn our north and south streets into our main commercial arteries. Possibly have Campbell Avenue broken up into alternate malls; i.e. one block a parking area and the next block a park.

#3. What do you think of Campbell's future?
Campbell's future is based on the ability of the average person to be able to go to city hall and make their thoughts known. The larger the city the more obscure the individual person becomes. Campbell is serving a very useful function in the preservation of liberties and freedoms. Let us keep it that way.

#2. What do you think of the corporation yard?
I think the main thing wrong with the corporation yard is the city officials are constantly changing it. Let it develope into an efficient service station and garage, and keep it separate from other town functions.

#1. What do you think of Campbell's park program?
This is a touchy question with me. I have spent many years working with and for children and I enjoyed every minute of it. As far as Campbell is concerned the area is loaded with children's recreation facilities, but what about adult recreation? There isn't any. I've been told repeatedly that a program is being prepared. That was back in 1955. This year is 1964--still nothing.

FUN FOR ALL-- Looking forward to Carnival Caper Day sponsored by the St. Pius X Guild on Saturday, April 4, at St. Lucy's Parish Hall, are Yvonne and Scott Brittain (front row) and Jimmy Buddington (with balloon). Mrs. Scott Brittain will impersonate "Popo", the clown, and Mrs. Darrell Buddington is "Yum Yum" chairman.

Youthful scientists to have Science Fair on Saturday

Creative, talented boys and girls in Campbell Union School District are building three-dimensional projects from their own bright, original ideas, for the Seventh Annual District Science Fair. You're invited to come and ask questions! Since half the total number of points a student can earn with his exhibit depend on his knowledge of the exhibit and ability to apply the information to other related fields, each young scientist is eager to explain his project to all visitors. The fair will be open to the public from 10:30 a.m. to 12:30 p.m., Saturday, April 4, at Rolling Hills School, 1585 Moore Avenue near Pollard Rd., Los Gatos.

From experience with the science fairs of former years, teachers have learned that the young competitors delight in discussing their projects with their fellow students, their parents and the public. So come to the fair! - and give the boys and girls a chance to tell you about what they've been learning in science. You'll enjoy it!

Youngsters in grades 4 through 8 from all schools in the district are participating in the Seventh Annual District Science Fair. Their projects have been selected as outstanding at preliminary science fairs held by individual schools for this purpose.

Gold, silver and bronze medals and honorable mention ribbons for fourth, fifth and sixth place will be presented in five divisions in biological sciences and five divisions in physical sciences. Judging will be done between 9 and 10:30 a.m.

Those projects that win individual awards will be moved immediately after the fair, at 1 p.m., to the Campbell Country Woman's Club Museum and Cultural Center. They will be displayed there for the rest of the month of April, and may be seen between 1 and 4:30 p.m. each Saturday, Sunday, Monday and Wednesday. Groups of adults or children may arrange tours by calling Mrs. Ruth Andrus at 378-4877. The Museum is located at 274 Campbell Avenue, on the corner of First Street, Campbell.

Campbell High to have a hootenany

An "International Hootenany" is being sponsored by Campbell High School's American Field Service Club. The Hootenany will feature talent by foreign students attending local colleges doing performances representational of their countries and high school talent. It will be held on Friday, April 3 from 8:00 to 10:30 p.m. in the Campbell High School cafeteria. Refreshments will be served.

The American Field Service is the organization responsible for raising funds to send a student abroad as a foreign exchange student.

Pius X Guild to hold Carnival Capers

Carnival Capers Day will be sponsored by the St. Pius X Guild on Saturday April 4, 8:30 to 5:00, at St. Lucy's Church, 2350 Winchester Blvd., Campbell.

Guild members will transform the Hall into a big circus tent for this gala event.

For youngsters, a fish pond, cake walk, movies, puppets and games galore are scheduled. Candied apples, popcorn and goodies will be featured at the Yum-Yum Booth. Hotdogs, coffee and soft drinks are among the refreshments at the Eats Booth.

Proceeds of the event will go toward financing Catechism classes for Catholic children attending the public schools.

Directing arrangements are Chairmen Mmes. Lorain Buddington, James Hogan, and Mel Peterson.

Assistant dean named to Junior College

The first of three assistant deans of student personnel services was appointed last night by West Valley Junior College trustees at their regular bi-monthly meeting, Dr. Wallace W. Hall, WVJC president, has announced.

The new assistant dean is Donald R. Ziegler, superintendent of King City Union High School District since 1955. He will be in charge of admissions and records, beginning his WVJC duties April 15.

Ziegler, 41, has a BA degree from Sacramento State College and an MA from Stanford University, both in educational administration.

Ziegler was a Navy ensign during World War II. He is married and has two children.

WVJC, which will begin its first classes (freshman-level only), Sept. 14, in temporary quarters in Campbell, will start taking applications for enrollment after April 15, Dr. Hall said.

IN GERMANY

Army Specialist Five Arthur D. Morgan, whose wife, Betty, lives at 208 Illinois, Camdenton, Mo., was assigned March 9 to the 535th Engineer Company in Germany.

Specialist Morgan, a crane operator in the company near Mannheim, Germany, entered the Army in September 1956.

Morgan, son of Mrs. Mary M. Morgan, 115 S. Dot Ave., Campbell, is a 1956 graduate of Campbell Union High School.

Kindergarten registration at Moreland

April 1, 1964 has been designated by the Moreland School District as the beginning of Kindergarten Registration. The registration will be conducted at the individual schools of the Moreland District.

Parents are urged to have a physical examination for kindergarten children, prior to their entrance in school and a health appraisal form is required as part of the registration procedure. The state law requires that all school children must be immunized against polio.

Children entering kindergarten must be five years old on or before December 2, 1964. The age requirement is set by the state education code which also requires that a birth certificate must be presented at the school office when enrolling the child.

For further information call the local school where your child will attend or the district office, 379-1370.

Funeral services held for accident victim

Funeral services were held Monday, March 30, for Thomas W. Williams, 62, 431 Esther Avenue, Campbell, who succumbed to injuries received when he fell from a scaffolding while on the job as a steam fitter last month. Services were conducted by Oakhill Mortuary's Chapel of the Roses. Interment was in Oak Hill Memorial Park.

Williams, a resident of the County for 29 years, is survived by his wife, Mary M. Williams. He is also survived by his daughter, Mrs. Ronald Whitney of San Jose and a son, Jack Williams of Ben Lomond. Several sisters and brothers reside in Campbell, including Mrs. Flossie Sutton and Mrs. Al Cowen and Ralph Williams and Ray Williams.

EASTER EGG HUNT

Several hundred youngsters came to Campbell's creekside park last Saturday to hunt Easter Eggs. Over 1700 candy eggs were made available by the Chamber of Commerce, according to Chairman Rip Schleeter, who oversaw the hunt.

Special hardboiled eggs were exchanged for prizes, which had been donated by Campbell Plaza Safeway, Western Gravel, Noel Brown Mfg., and Campbell Country Woman's Club. Big

State taxpayers may file return using tab card

California taxpayers may file their 1963 State income tax return using a simplified tabulating card, Form 540A, if their total income is from wages, dividends, or interest and is less than $15,000.

Form 540A permits taxpayers to itemized their deductions, take the standard deduction, or use the Optional Tax Table, whichever is to their tax advantage.

State Controller Alan Cranston, chairman of the Franchise Tax Board, advises that there is no tax advantage to using Form 540 if the taxpayer qualifies for the short Form 540A. Form 540 must be used, however, by persons claiming head of household status, retirement income credit, or credit for income taxes paid to other states.

A return on either form must be filed bv April 15, by single individuals who earned $1,500 or more and married couples with combined earnings of $3,000 or more.

FICTION

BLACK AMBER By Phyllis A. Whitney

To Tracy Hubbard, at home in New York, a masquarade had seemed the only possible way to track down the answer to a tragedy for which she felt partly responsible. But now that she was in Instanbul as an imposter she was alarmed and baffled. Another good suspense story by the author of Thunder Heights and The Moonflower.

CONVENTION By Charles Bailey and Fletcher W. Knebel

"The Thirtieth Republican National Convention will now ballot for a candidate for President of the United States!" the chairman intoned. Thus begins a novel of our whole political scene; the story of plots and pledges. Mr. Knebel and Mr. Bailey are joint authors of Seven Days in May.

LADY ON THE COIN By Margaret Campbell Barnes

The daughter of a capable and unpretentious Scots physician, luxury loving Frances Stuart was nevertheless, not willing to forget that she was distant cousin to King Charles II, the banished King of England. Once the king had embraced her by mistake, believing her to be his long-exiled sister, he could not willingly forget her, for Frances was the most beautiful young loyalist to be found in the court of France.

NON-FICTION

NEVER IN THE KITCHEN WHEN COMPANY ARRIVES By Theresa Morse

This is a cook-book that pampers and cossets the hostess as well as the guests, keeps her out front, relaxed and happy during the cocktail time, while delectable unusual meals take care of themselves up to ten minutes before serving time.

THE EVESDROPPERS By Samuel Dash

A substantiated story of eavesdropping in the United States, this book tells how wiretapping devices are used not only by the police but also by the agents of business, labor and politics. It is based on hundreds of interviews with law enforcement officers, private detectives, newspaper editors, convicted racketeers, lawyers, judges, cab drivers, manufacturers of wiretapping equipment - each in his own way an expert. Here is a much needed book for the citizen who wants to know just how private his privacy is.

HEY, I'M ALIVE By Helen Klaben

In January, 1963, Helen Klaben, a twenty-one year old girl hitched a plane ride from Alaska. Her destination was San Francisco, but the plane crashed in the Yukon wilderness and Miss Klaben and her pilot were marooned for 49 days before a daring rescue made world headlines. Hey, I'm Alive is one of the most unusual and stirring documents ever recorded.

OUR TOWN

By Grace Hebard

Phyllis Romero, bride-elect of Stephen Kallam, was the guest of honor at two wedding showers recently. Former schoolmates Liz Rice and Janet Fair hosted a miscellaneous shower at the Fair residence on Jane Ann Way with approximately eighteen guests. Mrs. Ralph E. Kallam of San Jose, mother of the bridegroom, honored her future daughter-in-law with a kitchen shower on March 20. Phyllis and Steve will be married in the Saratoga Federated Church next Saturday afternoon. April 4. Both young people are graduates of Campbell High School.

. . . .

Mrs. Emma Taylor of Campbell and Mrs. Kathryn York of Fresno, two sisters who have the same birthday, March 22, celebrated together last Sunday, as they have for years past. Mrs. Taylor celebrated her eighty second birthday. A gathering was enjoyed at Villa Felice in Los Gatos with many of the couple's sons and daughters present for the occasion. Later, birthday cake was served at the home of Mrs. Taylor's daughter, Mrs. Howard Cherry of 126 Cherry Lane Avenue. A wonderful day for two mothers.

. . . .

John Detrick, blind student from Del Mar High School, memorized 62 pages of music in order to sing with the combined choirs of the five high schools in the district March 19. The night of the performance he was on stage with his fellow students and did not miss a note. Wouldn't you call this a profile of determination?

. . . .

Embarrassing experience ... returned the book "How to Manage Your Money Successfully" to the Campbell Library....three days overdue...fine 15 cents. The librarian sneered!

. . . .

Doug L. Beatty of Campbell, Western Gravel executive, has been named a judge to select zone winners from local high school candidates in the annual Bank of America Achievement Awards competition next Tuesday, April 7, in Santa Clara. The decision of these judges will boost four of about 30 hopefuls into area finals and an opportunity to compete for $1,000 cash awards in San Francisco in May.

FIRE CALLS

March 29 - Rescue Call. 466 E. Central. Service not needed.

Service Notes

ABOARD USS ELKHORN

Charles K. Hicks, seaman apprentice, USN, son of Mrs. Doris Ward of 35 Circle dr., Campbell, is serving aboard the gasoline tanker USS Elkhorn, operating out of Pearl Harbor, Hawaii.

Elkhorn enables ships of the Pacific and Seventh Fleets to remain on station longer by supplying them with fuel.

AT CAMP PENDLETON

Marine Private Harold D. Green, son of Mr. and Mrs. Harvey H. Green of 35 La Vonne dr., Campbell, completed four weeks of individual combat training March 17 at the Second Infantry Training Regiment, Marine Corps Base, Camp Pendleton, Calif.

While with the regiment all new Marines are trained in tactical and combat skills needed for battle. Emphasis was placed on the small unit tactics--the four-man fire team and the 13-man squad.
